With the objective of Agriculture Programme, Child Labour Prog, Horticultural Prog, Health Camp, SHG Formation, Village Development Awareness Prog, Celebration etc and rural & urban population of the Bidar District from their goal and objectives Jai-Hind Socio- Economic Development And Education Society (S.C. Management) has been working active for the education of social aids, child labour, are has various complied and awareness program for the remove of their social ends. But being moved by the high grooving and incidence of illiteracy in the District of Bidar has been organs an awareness of training program of student; women are youths in the District of Bidar. The highly are of the activities of the Jai-Hind Socio- Economic Development And Education Society (S.C. Management).

Above all, we are running various social activities through our organization in the district and we are covering most of the backward area, small villages and gram panchayats in the district. The management is running successfully various activities of Agriculture Programme, Child Labour Prog, Horticultural Prog, Health Camp, SHG Formation, Village Development Awareness Prog, Celebration etc successfully participating with the teaching, non-teaching and field staff. Our staff members are also very active, experienced and maintaining good relations not only with the students and their parents but also with the public in general.

We are also having trained faculty with a very good experience in this field. The Society is having sufficient experience for implementation of development projects, as it has conducted various awareness programme regarding rights to children, their livelihood education etc.

The main activities of the Society are following.

2016-17:

- Agriculture Programme
- Child Labour Prog
- Horticultural Prog
- Health Camp
- SHG Formation
- Village Development Awareness Prog
- Celebration

AGRICULTURE PROGRAMME

Our organization conducted to aware and provides the knowledge of mud model and utilization of the black soil which produce good yield. That farmer should get aware of the soil which is available at their field using the same they should get the good yield hence. The our organization provide the all needful and useful hints and trained the farmers and made them awakened all the time.

CHILD LABOUR PROG

Child Labour Prog were held at various villages to discourage the people to send the minor children to work. The punishment available under the law also explained. The facilities provided to child labours by the Govt. Agencies were also explained for this purpose the society has spend the amount for during the year.

HORTICULTURAL PROG

Our organization has managed a horticultural programme in the slum areas of Bidar district. Our organization has successfully completed the horticultural Programme with the help of the local people and the horticultural department. And people were come to know the benefits of the horticultural and digging plantation In their areas and through this they will be going to be secured from various diseases and a healthy atmosphere. The programme was successful one and our work was appreciated and the peoples have desired for the more programmes in their areas.

HEALTH CAMP

The residents of Bidar District slum area have been asking Jai-Hind Socio-Economic Development And Education Society (S.C. Management), Bidar District to organize one health camp in their area which is very much required Jai-Hind Socio- Economic Development And Education Society (S.C. Management), Bidar District had organized this Health Checkup in co-ordination with local voluntary agencies. And many persons were benefited and other details are as follows:

The free medicines have been collected from Doctors and have been distributed among the patients.

Our organization provide the free Health Camp for three days free check-up camp many more villagers got the benefit of the free Health Check-up. To keep the villagers good Health our organization does all the needful awareness and conducted the various health check-up camps one of those are as above.

SHG FORMATION

SHG Formation were held at various villages to encourage the rural women to stand on their own their own feet & earn on their own. The various schemes & opportunities available now to the rural women were explained to the attended women.

The benefit of formation of SHG of SHG leaders & other similar Groups. Confidence Building, Capacity Building, Vocational Courses etc. were explained. 25 women have changed their life style by earning themselves after we have conducting these programmes during the year.

The SHG movement all over the India has proved the fact they are the reliable and effective engines of growth of empowerment of women of poor and underprivileged background.

We have conducted and formed various SHG groups for the help of rural poor in the state of Karnataka.

VILLAGE DEVELOPMENT AWARENESS PROG

We have conducted various Rural development Programme is the process of improving the quality of life and economic well-being of people living in rural areas, often relatively isolated and sparsely populated areas. Education, entrepreneurship, physical infrastructure, and social infrastructure all play an important role in developing rural regions.

CELEBRATION EXP

The organization used to celebrate all the national functions like Independence Day, Republic Day, National Leaders Jayanthis, Karnataka Vimochana Dinacharne, Dr. B.R. Ambedkar jayanthi, etc every year in a big way at Bidar District. That the president of the organization used to give lecture on each of the programme. Many of the local dignitaries have been participated in the programme.
